### DualPro

Guard your Galaxy with the ultra-protective Incipio DualPro®, our favorite two-layer case with a flexible, shock absorbing inner core and ultra-durable polycarbonate shell. Also features a raised bezel to keep your screen and camera safe from accidental drops.

**MSRP: \$29.99**

### Octane

It's easy to come to grips with accidentally dropping your phone when you have the Octane™ Case. The shock absorbing bumper is precision engineered with textured ridges so your brand new phone is protected from inevitable scratches and drops.

**MSRP: \$24.99**

### NGP

Incipio's NGP® Case features soft shell technology that provides a barrier between your device and everyday use. This durable case is precision engineered with a translucent, shock absorbing Flex2O™ polymer material that is stretch and tear resistant.

**MSRP: \$19.99**

### Design Series

The case on your phone is so much more than just a barrier of protection -- at least we think so. Design Series cases are seasonal collections created as an extension of your style that provide pattern and protection to your device.

**MSRP: \$24.99**
